Dedicated To Mrs. Charlie Edna Fennell

In acknowledgment to the many years Mrs. Fennell has dedicated to teaching, we dedicated this yearbook to her. She has spent a total of thirty-five years teaching—seven in Swink and twenty-eight here at Ft. Towson. She also taught four months at Valliant. She estimates that she has taught at least 1,000 students in her career. Many of these students have gone on to become doctors, lawyers, preachers, etc. She says that she loves children and teaching. She cares about each child. Her fellow teachers say they admire her because she always arrives early and leaves late. Her one-time students say that they really learned in her class.

The time she doesn't spend at school, she spends on her hobbies—reading, working outside, mowing, and working her husband's cattle.

From the yearbook staff, we sincerely admire you, Mrs. Fennell, for the times you have helped us during the years.

The Yearbook Staff

In Memory Of Paul Barnes

LINGERING THOUGHTS

As he lies in eternal rest,
There are none now who will jest,
Although one of quiet attitude,
He was a one who's intelligence
You could not elude.

And now the sun sets with
A duller haze,
As if remembering the times
of yesterdays,

And now the sunrise will not
be so bright,
As his face will only appear
In the fading light.
